3. If the successful applicant is of an immigration status that makes them ineligible to Student Finance funding, a Sanctuary Scholarship (fees and bursary) will be guaranteed for their University course.

4. If the successful applicant is of an immigration status that makes them eligible for Student Finance, it is expected that the applicant will apply for Student Finance and fund their course as a Home student.

Additional awards (eligible for all of the above awards, upon discretion of the UoS Committee)

1. Sanctuary budget allowing, additional financial awards will pay for:
 - a. Travel Expenses: the scholarship may also cover commuter expenses upon request, for example an annual bus pass or a seasonal rail fare.
 - b. Computer hardware: the scholarship may also cover expenses involved with remote learning and studying from home.
 - c. Accommodation Expenses: the scholarship may also cover accommodation expenses of up to £2000 per annum, upon request, where the applicant is directly liable for private rent. This does not include G4S/government supplied housing accommodation.
 - d. Placement Costs: for Health Science students only, the scholarship may also cover costs whilst undertaking hospital placements of up to £2000 per annum.
 - e. Consumable Costs: for postgraduate research students only, the scholarship may also cover costs of laboratory consumables up to £2000 per annum.

Scholarship terms

1. The Fee Scholarship is awarded once the recipient has completed the University's registration process. The Bursary component will be payable in monthly instalments throughout the academic year.
2. The number of Sanctuary scholarships available each year will be awarded between the (Fees and Bursary) and (Fees Only) categories.
3. If two or more candidates are deemed to be of equal merit, the Scholarship will not be divided.
4. If no candidate is judged to be of sufficient merit, the Scholarship will not be awarded.
5. In the event that a recipient's asylum application is refused by the UK Government, the recipient will be allowed to study pending an appeal on their asylum claim. The University reserves the right to suspend studies following notification from the Home Office.
6. In the event that a recipient's asylum claim is upheld and refugee status (Leave to Remain) is granted by the UK Government, the applicant will be removed from the scholarship effective from the next academic year, where the applicant will then be able to apply for support from Student Finance England.
7. In the event of an intercalation or withdrawal the fee scholarship and expenses bursary will be reduced pro-rata as per the University's advertised cut-off dates.
8. The Scholarship award can be subject to UKVI 'right to study' checks as well as meeting the admissions offer of your course.
9. The Scholarship is subject to these terms and conditions which must be formally agreed to by the recipient before the award is made.
10. To be eligible for the accommodation award, applicants must provide a rental agreement between themselves and a private landlord/rental agency.
11. Consumable costs will be awarded directly to the research project supervisor.

*Fee increases for subsequent years of study or masters course fees at a higher rate will be covered by the scholarship.
